## Magical Entertainment

### COMEDY MAGIC BANQUET SHOW

Brad Zinn's comedy and magic Banquet Show is a high energy exercise in pure entertainment. From start to finish, Brad involves the audience in the magic and the laughs. The show's high point is a tribute to Houdini complete with audience participation, comedy, and an inspirational - motivational message delivered with a light touch. Other segments include a hilarious "Handy Dandy Home Kitchen Veg-e-Magic" demonstration. Various celebrities have participated in this routine including Damon Wayans, Arizona Cardinals Coach Joe Bugel, as well as many CEO's of large corporations. The finish to the show revolves around Brad's nostalgic recollections of the very first magician he ever saw. Brad has many other routines up his sleeve ready to be customized for your group. Whether it's an Awards Ceremony, Convention Kick-Off, Birthday Celebration, or Product Introduction, Brad can build a few surprises into the proceedings based on your needs. How about magically producing your CEO, VP of Sales, Santa Claus, or the Master of Ceremonies?

The banquet show is appropriate for groups ranging from 25 to 600 people or even more if you have video screen projection at your event. Shows of this type last from 20 minutes to 75 minutes. Brad Zinn performs magic with one assistant/crew member when necessary. Additional assistants will add to the base fee for this type of show. Brad Zinn can provide stage backdrop, sound system, and some lighting if necessary. Staging required to be supplied by client for this show includes a clear, minimum platform area 16 feet by 16 feet minimum, and a house microphone. Set-up time for this program: 2-3 hours. Walk-around close-up magic booked with this show is 1/2 fee. (See below\*)

*Our employees have not stopped talking about the show...I, personally, have been a Brad Zinn fan since I first saw his show 7 or 8 years ago. He only gets better! The show is very sophisticated, professional and totally entertaining from beginning to end. The humor and timing are perfect! Thanks for making our party a truly memorable occasion!* PATRICIA J. O'NEAL,  
KURTA CORPORATION

*Thank you for a job well done. I understand the C. E. M. A. people loved your performance. You can't complain with two standing ovations! I'll be giving you a call next time I need a professional magician!* A. J. SAGMAN, PRESIDENT, LAS VEGAS ENTERTAINMENT SERVICES

### **WALK-AROUND CLOSE-UP COMEDY MAGIC**

Dressed in tuxedo or one of many "theme" costumes (photos on request), Brad performs mind boggling and funny comedy magic inches away from the eyes of your guests while strolling from table to table or group to group during social hour, special event, private party, trade show booth, or at a "hospitality suite." Brad performs sleight-of-hand with various objects, such as cards, coins and currency, and borrowed (and returned!) articles from various audience members. This performance is perfect as an ice-breaker, conversation starter, after dinner, or as a prelude to the banquet show described above. There are no "technical requirements" or set-up time involved. Brad can reach approximately 50-75 people per hour of performing time. \*Walkaround magic fees are 1/2 price when booking the "Banquet Show" described above.

*Thanks for making our hospitality suite the "hit" of the convention. Your contributions were outstanding...I have had many compliments on the professional manner in which you presented your magic and your interaction with our customers.* GLENN B. CRANE, STROMBERG-CARLSON

**"THE RIVERBOAT GAMBLER"**

Brad performs cons, cheats, and swindles for the amusement of the spectators with cards, coins, chips, dice, an endless loop of chain and other gambling devices. Attired in "Old West" garb (photo above), this is the perfect addition to any Western theme party, cowboy steak fry, or 'Old West' casino night. Brad can perform this special type of fun, comedy, close-up magic while strolling among the guests, table to table, or group to group, or at a stationary location, such as a Blackjack table. Once again, there are no special technical requirements or set-up time to be considered.

*Our guests for the evening were physicians and other medical professionals - not the easiest group to impress. I only wish I could begin to find the proper adjectives to describe the amazing, delightful, hilarious, thoroughly professional show that we were treated to by Brad Zinn. Brad tailored his routines and humor to our audience for that extra added little touch of class. The only problem that you will have using Brad Zinn for your entertainment is figuring out how to top his show for your next function! Feel free to call me for more information...but be prepared for an unbelievable amount of adulation.* RICK JACOBS, REGIONAL MANAGER, THE SPRING GROUP

*The illusions of Brad Zinn were well received by our guests. His magical tricks amazed us all! He really related well to our audience and put on a GREAT show!* CHRISTINE REEVES, JUNIOR LEAGUE OF PHOENIX

## Body Art

Guests love to get into the party mood by having various forms of “body art” applied by skilled artisans. Body Art can include;

>**Face/Arm Painting** with colorful, non-allergenic make-up. The artists supply a varied numbered of sample designs that guests can choose from. Popular choices include Sports Team Logos, animal faces, cartoon characters, etc. The make-up can also be “neon,” which glows under black light. Designs can also be topped off with glitter for a dynamic look. Children and adults alike enjoy being “painted!”

**MORE...**

>**Henna Tattoos** are applied using hypo-allergenic henna paste. Again, guests select from a number of choices of designs which can be applied to hand, arm, ankle, or foot. After application, the paste requires about 30 minutes to dry, and then the design lasts for 3-5 days, depending on the level of care of the tattoo by the guest. Results will vary by individual.

>**Temporary Tattoos** are pre-printed designs which are “water applied.” Temporary Tattoos can last 2-5 days, again depending on the level of care taken by the guest. However, they can be instantly removed with rubbing alcohol if desired. Fees include up to 50 tattoos applied per hour, per artist.

>**Airbrush Tattoos** are applied using an airbrush tool and various colors of ink. Guests choose from a range of options and a stencil is used to create the design. Again, glitter can be added for a dynamic finish. Airbrush tattoos can last up to a week with proper care. Airbrush tattoos are extremely popular for those who wish to have an “authentic tattoo” look without the long term commitment. Airbrush tattoos can also be instantly removed with rubbing alcohol.

Body Art artists can be attired in a number of themes: Non-clown colorful, full clown, Western, Black on Black, etc. Requirements generally include a table or tables, chairs, an electrical drop, good lighting, and shade/cooling/heat if outdoors for the comfort of both guests and artists.

## Circus Arts

MORE...

Circus Arts have made a comeback! The Circus has been around for hundreds of years and survived all sorts of changes in popular taste, culture, and eras. The Circus can be themed in many different ways, including Western, traditional, or modern. Stiltwalkers in various themed costumes can meet and greet guests both outside (especially if it is a venue that is difficult to find from the parking area?) and inside the venue. How about a contortionist, or tight rope walker to amaze your guests?

Or, a Juggler manipulating a myriad of objects, some of which light up or glow in the dark under appropriate circumstances? A “little person” with a big personality doing robotic dancing and spinning plates will intrigue your guests. Various other gymnastic stunts, such as “The Rolling Globe,” or Trampoline Acts, as well as Fire Eating and Fire Juggling\* are available. (\*Fire acts are always performed at the performer’s discretion for safety sake.)

Also available is the Aerial Hoop (not pictured) which features a young lady performing stunts on a large suspended hoop (rigging required.) Have you ever talked to a “living mermaid?” And to hold everything together, a Ringmaster can make announcements and help direct attention to the various attractions.

Some of the acts are interactive, allowing guests to try their hand at performing - safely of course!

“Stevie” (pictured above) is a Rolling Globe artist that holds the world’s record for staying on the 48” ball continuously for over 24 hours. Additionally, a circus backdrop is available to add to the décor and frame the performers. For a fully staged show utilizing the backdrop, a clear area of 24’ by 24’ is ideal.

## Psychic Readers

For many years BZEE, Inc. has been the #1 supplier of Psychic Readers to events in Arizona. Our readers are very familiar with the Do's and Don'ts of private readings in a party atmosphere. Our readers are vetted for friendliness, empathy, and professionalism. Readers can be attired in many different themes, including but not limited to, Gypsy style, Southwestern, Western, Fire and Ice, Starry Night Theme, Mardi Gras, Arabian Nights, Formal, and others.

Psychics use a variety of "methods" to give quick, accurate, and positive readings. These formats can include: **Palm, Tarot Cards, Astrology Cards, Tea Leaf Reading, Lip Print Reading, Face Reading, Numerology, Handwriting Analysis, Crystal Ball, Hydromancy, and Computerized Astrology\* NEW for 2018; Toe readings! (See photo above)**

\*Computer Astrology priced slightly higher.

Individual or Couples readings require approximately 6 minutes, or about 10-12 people per hour. Readers require a table, three chairs, adequate light and/or an electrical drop, and most importantly, they need to be away from loud noise or music in order to effectively communicate with the guests. If outside, weather is also a consideration, i.e., wind, rain, direct sun, heat, cold, for the comfort of both the Readers and Guests! Psychic Readings are a VERY popular attraction.

## Caricaturists

Guests love to have their likeness captured in a cartoon like drawing by a skilled artist as a takeaway souvenir. For Western themes, a “Wanted Poster” motif can be utilized. Caricaturists can be attired in various themes, including but not limited to Western, Mardi Gras purple and gold, or a simple black on black look. Once again, Caricatures are a VERY popular attraction!

Caricatures can be drawn in either Black & White, or Full Color. Guidelines are:

Black & White = 12 to 14 people per hour.

Color = 8 to 10 people per hour.

Requirements include an electrical drop, and three chairs.

## Clowns / Mimes

Clowns add a colorful, mirthful atmosphere to almost any event, but are perfect for Carnival Themes, Circus Themes, company picnics, holiday brunch, or children’s events. Many of our clowns also have a “Western/Cowboy/Cowgirl” clown look! Clowns can provide face painting and balloon twisting, and in some cases, a small magic show for the kids, or simple puppetry.

Mimes are perfect for French Themed parties, New York Themes, Party in the Park Themes, Formal Affairs (as a meet and greet option) or Carnival Themes. Performers can offer additional skills beyond the expected mime art. In some cases they ride unicycle or juggle, Typical French Mime attire is also available, or a simple black on black.

## Master Balloon Twisting

Master Balloon Twisters are in a class all by themselves. These “master twisters” create the large, elaborate balloon sculptures that are literally stunning in visual appeal, and breath-taking in their complexity. Standard designs can be created, or custom pieces can be developed to fit an event or a theme. These do take hours to construct so advance planning is necessary. Pre-finished work can be delivered to the venue, but onsite demonstrations are possible - depending on the length of the event time. Adequate space and lighting need to be provided, along with a 6 ft. banquet table if a design is being executed on site. (If outside, weather; i.e. wind, rain, and direct sunlight, is also a consideration.) The photos above are just samples, and by no means complete! If you have seen a master sculpture on the internet and can provide a photo of it, then we can make it here for you!

## **Santa Claus, Mrs. Claus, Elf**

Nothing says “the Holidays are here!” like that jolly man in the red suit. Santa can distribute gifts (provided by the client), take requests from children and adults alike, and be available for photo opps. Santa can also be accompanied by an elf, and/or Mrs. Claus. A reading of “The Night Before Christmas” (aka “A Visit From St. Nicholas”) can also be presented to a group of children by either Santa or Mrs. Claus. Under the right circumstances, Santa can also be “magically produced” by magician Brad Zinn.

## **Casino Nights / Poker Tournaments**

Blackjack, Craps, Poker (ALL variations!), Roulette, Big 6 Wheel, and other games of chance, expertly delivered by our competent, knowledgeable, fun and friendly dealers. Our tables and equipment are very high quality. Slot machines are also available (but only as part of a “package” of games.)

Casino Nights / Poker Tournaments are proven to be interactive and fun for your guests. Prizes are optional and to be provided by the client. Prizes can be awarded on the basis of “highest winner / winners,” or by “live auction,” or by random drawing. We take care of everything for you so you and your guests can just enjoy the event!

Dealers can be attired in traditional Black & White, or Western, or Hawaiian attire, depending on the theme of the event. Standard rates apply from January 2<sup>nd</sup> to November 30<sup>th</sup>. Holiday pricing slightly higher, please inquire.

## **Belly Dancers**

Dazzling dancing, exciting costumes, and interactive fun! Single, and multiple dancers available. Music can be played by a live combo, by the event DeeJay, or in many cases, the dancers can provide a boom box type sound system. Dancers do require breaks in multiple hour bookings.

## **Western Characters**

For Western Night events, your frontier town needs to be populated with characters from the Old West. Performers can “meet and greet,” spin a rope, demonstrate some gun handling, or just be available to interact with guests and for photo opps.

Native American artists are also available for demonstrations and stage presentations.

Arizona is synonymous with “The Old West” literally around the world, thanks to Hollywood. Give your guests an authentic taste of Arizona with real Western characters!

## **Emcee / Auctioneer Announcers / Live Voice Overs**

### **EMCEE / HOST / ANNOUNCER / AUCTIONEER**

A skilled master of ceremonies, Brad can offer a blend of humor and magic while keeping the agenda on schedule. Brad works closely with the event planner or producer in order to achieve maximum efficiency while keeping the audience awake and prepared to enjoy each new segment of the production. A good emcee can **MAKE** your event! Brad can also perform as a corporate game show host and is adept at "technical jargon." His humor keeps things light and well-paced. Brad is also an accomplished voice-over artist and can announce your event with ease in a pleasing, authoritative voice. And in addition, Brad is an experienced auctioneer for casino nights and charity fundraising events. Brad Zinn was the live voice-over announcer for two years running for the NBC Television Network Affiliates Meeting in Phoenix. He was requested by name for the second year! Let **BRAD ZINN** make you a hero!

*Your voice work as the announcer for the 2008 Scottsdale Center for the Arts Center Stage Awards Celebration was an answer to a prayer. We needed a top-notch professional to give the evening that WOW factor. And WOW, did we choose right when we chose you. Your professional, wonderful voice along with your talent, wit and charm truly provided all that was needed and much, much more. We received so many positive, excited comments about your work that evening from the audience and back stage. The added bonus is that you are a delight to work with and we hope that the opportunity comes again soon and often. Thank you, Brad, for sharing your talent and professionalism and helping us ignite the Center Stage Awards program. BRANDY HOTCHNER, PATTI HANNON, SCOTTSDALE CENTER FOR THE PERFORMING ARTS*

*Thank you so much for your stunning performance as MC at the Sonitrol Banquet. Your performance was above and beyond what I expected. You obviously took a great deal of time preparing your script and customizing it to my client. They noticed and were absolutely thrilled...you can bet I will call you. PAM ABBOTT, DIRECTOR OF SALES, IMAGE ENTERTAINMENT PRODUCTIONS, INC.*

*Mr. Zinn's performance that evening was "Superb!" Even though he had never met the honoree or any of the guests beforehand, he immediately captivated not only the attention of the honoree but the audience as well with his humor and mime - not to mention his magical tricks! He is to be congratulated for an outstanding performance. The end result was an evening enjoyed by all. JAN E. MASSAD, EXEC. ASST., SPEEDFAM INTERNATIONAL, INC.*

## Walkaround Hollywood Icons

Perfect for a Hollywood Theme Night, Oscar Party, or Awards Banquet, invite Groucho Marx, Humphrey Bogart, Charlie Chaplin, or W.C. Fields to meet and greet, stroll through the audience, and be available for photo opps. Each character is true to the original star and can easily interact with your guests. More than one character can be portrayed by Brad Zinn in a multi-hour booking to add variety to the night.

## Speed Painting Artist

Speed Painting has become an extraordinarily popular attraction for corporate events and fundraisers. Our artist can create a finished canvas of a famous celebrity from the world of music or sports in approximately eight minutes. The performance always includes a musical soundtrack to accompany the painting. He can also create a custom portrait of a VIP in the audience given prep time well in advance. Additionally he can bring a second speed painting artist for an extremely unique presentation of duel paintings. Performance requires minimum space of approximately 12' by 16'. Artist supplies floor tarp and portrait canvas, easel, paint supplies. Proper lighting and sound is a consideration.

## Chalk Artist

Urban art at its best! Chalk artists can create custom logos in chalk to greet guests as they enter, and then create colorful, eye catching chalk art right before their eyes. Guests can also try their hand at chalk art with provided chalk. Of course a cement area is necessary and adequate lighting is needed.

Custom artwork does require some advance planning, so please allow adequate lead time to avoid disappointment! Artists can create just during the time of the event, or they can arrive some hours early to complete a design prior to the arrival of guests. It is your choice.

The good news is that chalk is easily cleaned up after the event!

## Stargazing Telescopes with Operator/Astronomers

Since humans first looked into the night sky, they have been fascinated with the stars and planets above. The first humans could only guess at what was “out there,” but the mysteries of the galaxies are now more accessible since the invention of the telescope. And modern telescopes can reveal so much more. Combined with a knowledgeable Astronomer, peeking into the cosmos can be a rewarding experience. Our Astronomers are experienced, friendly, informative, and personable. Many of them have built their own high powered telescopes, such as the sample pictured above. Sessions can last from two to three hours, but always on a “weather permitting” basis. Star gazing is perfect for almost any theme party that includes an outdoor component.

## Light-up Futuristic Robot on Stilts

Imagine having a most futuristic, light-up, robot enter your party and mingle with your guests! The robot is actually an elaborately costumed performer on stilts. The costume lights up, changes colors and even has a strobe effect. The robot requires a “wrangler” to accompany the robot for safety purposes and the wrangler actually controls the lighting effects. The robot works 20 minutes “ON” and 20 minutes “OFF.” Minimum two hour booking required. Additionally, a second robot on stilts is available for even greater impact. Each stilt robot is priced individually.

## Party Atmosphere

From dresses that dispense drinks, to table skirts in a variety of themes, to red carpet dresses and living artwork, you can dress up any event for an added touch of elegance and interactive party fun! Saloon girls, Living Statues, other “Party Prompters” also available.

## Hollywood Make-Up Artist

Our Hollywood credited make-up artist can create elaborate characters for a theme party. He can also present a demonstration of cinematic make-up techniques for a break-out session or spouse event. He can use someone from your client group as the model and transform them into a movie screen zombie, monster, or space alien! Interactive, informative, fun, and a great photo opp for your guests. Sessions can run from one to two hours, or longer if desired
